

SOMPO INTERNATIONAL

Sompo International is the trade name for the global specialty property and casualty insurance and reinsurance operations of Sompo Holdings, Inc. ("Sompo"), established in March 2017 as the result of Sompo's acquisition of Endurance Specialty Holdings Ltd.

Sompo is a financial services holding company organized under the laws of Japan whose shares are listed and posted for trading on the Tokyo Stock Exchange. Sompo, through various operating subsidiaries, is one of the top three insurers in Japan and is engaged in the provision of insurance services as well as other related services through its global network of businesses operating in 32 countries around the world.

Sompo International is the international operation of Sompo and, through its operating subsidiaries, writes agriculture, casualty and other specialty, professional lines, property, marine/energy and aviation lines of insurance and catastrophe, property, casualty, professional lines and specialty lines of reinsurance.

As a leading global provider of insurance and reinsurance, we recognize that our success is derived directly from those whose contributions matter most: our people. Sompo International's headquarters is in Bermuda and we currently have offices in the United States, the United Kingdom, Continental Europe, and Asia.

We are seeking a **Senior Ocean Marine Claims Specialist** in our **New York, NY** or **Alpharetta, GA** office. Under technical direction, investigates and maintains ocean marine claims. Works within specific limits of authority on assignments requiring significant technical complexity and coordination. Utilizing claims policies and guidelines, reviews coverages, determines liability and compensability, secures information, arranges property damage appraisals, and negotiates and settles claims.

Essential Duties & Responsibilities

- Interprets more complex or unusual policy coverages and determines if coverages apply to claims submitted, escalating issues as needed
- Sets activities, reserves and authorizes payments within scope of authority. Ensures issuance of disbursements while managing loss costs and expenses
- Coordinates and performs investigations and evaluates claims and suits through contact with insureds, claimants, business partners, witnesses and experts. Seeks early resolution opportunities. Identifies files that have potential fraud and refers to SIU
- Utilizes negotiation skills to develop complex settlement packages
- Identifies claims with third party recovery potential and coordinates with subrogation/salvage unit
- Partners with attorneys, account representatives, agents, underwriters, and insureds to develop a focused strategy for timely and cost effective resolution of more complex claims
- Analyzes claims activities. Prepares and presents reports for management. May be responsible for special projects and presentations
- Responsible for input of data that accurately reflects claim circumstances and other information important to our business outcomes
- May provide guidance and assistance to other claims staff and functional areas
- Keeps current on state/territory regulations and issues as well as industry activity and trends

SOMPO INTERNATIONAL

Skills, Knowledge & Abilities

- Solid knowledge of claims and insurance industry theory and practices
- Demonstrated technical expertise and product specific knowledge
- Strong interpersonal, communication and negotiation skills. Ability to effectively interact with all levels of internal and external business partners
- Ability to work independently, managing time and resources to accomplish multiple tasks and meet deadlines.
- Strong analytical and problem solving skills enabling viable alternative solutions
- Ability to exercise independent judgment and make critical business decisions effectively assessing the merits of claims as well as evaluating claims based on a cost benefit analysis
- Solid knowledge of Microsoft Office Suite as well as other business-related software
- Ability to adapt to change and value diverse opinions and ideas
- Ability to fully comprehend claim information; and to further articulate analyses of claims in internal reports
- Ability to handle claims with a proactive long-term view of business goals and objectives

Education & Experience

- Bachelor's degree or equivalent experience. Professional designations preferred
- Typically a minimum 6-8 years marine claims experience
- Protection and Indemnity experience is highly preferred
- Appropriate state licensure needed
